## Poisoning Prevention

**Directions:** If necessary, an adult can read the question to young readers, who can circle the correct answer.

1. Poisons are only found outside of your home.
2. A poison is always marked with a warning label.
3. Poisons can hurt you and make you very sick.
4. Never touch, taste, or smell anything you aren't sure is safe and intended for you.
5. Poisons should be locked up out of reach.
6. If you see someone doing something unsafe with poisons, tell a parent, caregiver, or Safety Friend.

True

False

Answers: 1. False, 2. False, 3. True, 4. True, 5. True, 6. True.
